

DNA Behavior International

Human Behavior Solutions in the Cloud

DNA Behavior Discovery to help Businesses Know, Engage and Grow their Clients and Employees to Provide them with Customized Lifelong Experiences for Sustainable Performance

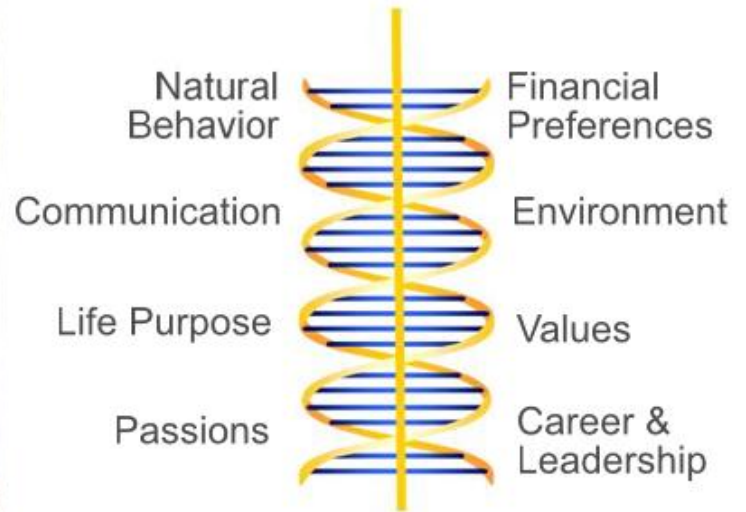

What is your plan for sustainable performance?

Research and experience shows that the greatest source of performance for individuals and businesses will primarily come from understanding, developing and confidently using their strengths, openly communicating and making the right choices based on a purpose based plan.

This all starts with discovering their DNA Behavior.

DNA Profiles Uncover:

DNA Solutions for Transforming Business and Personal Performance

Worldwide leaders in the provision of human behavior solutions for transforming every aspect of business and personal performance.

We offer a wide range of unique behavioral discovery, advisory, training and coaching programs to businesses and individuals in over 12 countries. Each program uniquely blends human behavior with personal discovery and business solutions.

All of these programs draw on very powerful and predictive human behavioral insights obtained from proprietary DNA Behavior profiling systems.

Leverage predictable behavioral insights into sustainable action plans for providing:

- Relationship Performance
- Team and Leadership Performance
- Client-Centered Business Performance
- Financial Planning Performance
- Quality Life Performance
- Couple Quality Life Performance
- Family Performance
- Entrepreneurial Performance
- Career Performance
- Planned Giving Performance
